Dear Swedish Police

Could you please give me a name plus email and telephone number of somebody that I could contact with regard to the murder in 1986 of your prime minister, Olof Palme? I realise this is from a long time ago but I would be interested to talk to somebody about it. I think I may have information.

I'm sorry but I do not speak Swedish so I must communicate in English. [Redacted]

Thank you for your help and Happy New Year!
